Who We Are

Designed Entertainment, Incorporated provides professional San Diego DJ talent services, live bands, professional sound and lighting rentals and permanent installation, event production expertise, and event planning consultation for corporate and private special events in San Diego and throughout Southern California.

Our professional artists and live entertainers are recognized and respected by their industry peers, and have performed for high profile clients, including the NFL, MTV, Kenneth Cole, Red Bull, Clear Channel, Harrah's Casino, and The Playboy Mansion, to name just a very few.

Designed Entertainment, Incorporated prides itself on providing the most talented, professional artists and services for every circumstance. The artists at Designed Entertainment specialize in all forms of popular music.

**Dance – Top 40 – Hip Hop – House – Jazz
– Latin – Rock – Funk – Old School**

All of our DJs are nightclub experienced and have been a pro jock for at least 10 years. They possess huge musically diverse collections, understand the eras and styles of the music they perform, and are highly professional and open to criticism and feedback from the customer at all times. You tell us what your need is and we guarantee you a musical solution to your entertainment needs.

We have the experience, reputation, and tools to make your event a blinding success. We only work with the highest level performing artists in every category of performance. There is no event too big, or too small. We have performed at events with just a few family members, all the way up to stadium sized events for thousands.

Give us a call today and let our professionals provide you with a FREE consultation about your needs and what solutions we can offer you.

Testimonials

- Designed Entertainment has been a brilliant resource and management team for Seven Restaurant & Lounge. They carried our exclusive contract for lighting design, event management, and entertainment solutions. Our guests have continually raved about the ambient nature of the venue due to the lighting effects and fantastic music format. Bar none, Designed Entertainment is creme de la creme.

Keoni Barcarse
Director of Operations
Seven Restaurant, Nightclub, and Lounge

- Designed Entertainment went above and beyond any expectations I could have expected for our San Diego State fraternity event. They have made me a capable promoter by offering some of San Diego's best DJs. Designed Entertainment has moved to the top of my list of contacts for premiere live entertainment in San Diego.

ISMAEL VALLEJO
